### **Kyla Marcial named 2023 School Social Worker of the Year**

Warren, MI – Kyla Marcial, district social worker, was named the 2023 School Social Worker of the Year for Region M by the Michigan Association of School Social Workers.

Every year, the Michigan Association of School Social Workers honors those who have demonstrated outstanding performance in their practice and acknowledge the dedication, professionalism and value that School Social Workers bring to school districts.

Marcial has been with Warren Consolidated Schools since 2003, serving students at Grissom Middle School.

“I am pleasantly surprised and honored to receive this recognition and to represent Warren Consolidated Schools,” Marcial said. “Because my job encompasses many components, I love that I get the opportunity to work with our special education population of students, teachers, administrators, and parents on a daily basis.”

Marcial received her undergraduate degree from Michigan State University and her graduate degree in social work from Wayne State University.

Before joining WCS, Marcial worked in foster care, a juvenile youth home, private practice and with traumatic brain injury clients. She has also served on the Board of Directors for the Ronald McDonald House. She currently oversees the Peer to Peer program at Grissom Middle School.
