

Covered medications with quantity limits

Our quantity limit program encourages safe medication use. Certain medications are available in limited quantities based on FDA guidelines for appropriate and safe use.

Talk to your doctor to find the right drug therapies that your health plan covers.

This list is current as of April 1, 2017. It is subject to change without notice. If you have a question about any drug, call MESSA Member Services at 800.336.0013.
